Understood Better Each Day

The most successful business man is the one who knows every detail of his business and does not depend upon a pull for his success. Each day this is understood. In no business is a detailed knowledge more essential than in the Building Trade. If you want an estimate on any work in my line, I'll be pleased to give you the benefit of my many years' experience.

DEGREE OF POCAHONTAS.

The Noosha Club met with Mr. and Mrs. William Holmes Friday afternoon and evening. A baked-bean supper was served. In the evening whist was played with seven tables. Prizes were taken by the following: First lady's, Mrs. H. Clements, mustard jar, 32; first gentleman's, Mrs. Manchester (played as gentle man), shaving mug, 23; second lady's, Mrs. H. Beckman, pitcher, 28; second gentleman's, Lillian Buckley, ash receiver, 28. Consolation prizes were taken by Mrs. Clark and Rufus Harris.

The next one will come with Mrs. Lavale Noosha. The next will be the next whist in Foresters' hall on Monday, May 10.

FORESTERS.

At the regular meeting of Court City of Norwich, No. 63, held in Foresters' hall, Friday evening, there was a large attendance, and many reports were read. It being a quarterly meeting. One of the principal items of business was action on an invitation extended the court by the celebration committee.

The delegates to attend the state convention May 12, 13, will attend to act on some of the amendments proposed for change in the by-laws. The auditors made their report of the last quarter which showed a grand record of success.

ORDER OF PROTECTION.

A well attended meeting of Thames lodge, No. 224, was held on Tuesday evening in Foresters' hall. One application was received and the regular business was transacted. The committee appointed at a recent meeting to arrange for a whist party, reported that the date would be Tuesday, May 11, and it is expected that this one will surpass all others held by this lodge. The tickets will be limited, as usual, to the capacity of the hall, so that everyone is assured of a good time. Thames lodge has suffered a loss in the death of Mrs. Margaret Frink, who died on Friday, May 7. Mrs. Frink became a member June 5th, 1906, and was one of the energetic workers of the lodge, serving on the entertainment committee, and was ever ready to advance the social and benevolent work of the lodge. She will be greatly missed by those who attend the meetings regularly, as she seldom missed a meeting. Mrs. Frink had paid into the relief and benefit fund \$35.50 and to the general fund \$10.50. On Thursday the trustees received a draft for \$1,000, the amount of her certificate. The order has a record to be proud of, for the promise in the payment of the claims, as they are all paid immediately on receipt of the proofs of death. Thames lodge has been elected for a term of three years at the recent grand lodge session.

SONS OF VETERANS.

The regular meeting of Sedgwick camp, No. 4, was held Monday evening at the Buckingham Memorial, Commander George E. Zimmerman presiding. An invitation to attend the initiation of a class of 50 on Wednesday evening, May 19th, at Bridgeport, was received and discussed, and it is probable that a dozen or so may attend from the local camp. The report of the Sons in connection with Memorial day was also discussed, and will be settled more in detail at the next meeting, on the 17th.

ODD FELLOWS.

Shetucket lodge, No. 27, voted at its meeting 20th of April to send a delegation to have a ladies' night on the evening of the 25th, which will be the first ladies' night held by the lodge since it has been in the new hall. The form of entertainment has been arranged for, consisting of the presentation of the story of David and Jonathan by Newton Beers, an entertainer who assumes fourteen characters in the four acts comprising the presentation. This is given by the lodge largely in the way of instruction for the first degree team, which is the degree worked by Shetucket lodge. They have work in this degree at their next meeting, with refreshments, having worked one candidate in the initiatory this week. John Maclellan, A. S. Seaborn and Louis Mabrey are the committee in charge of the ladies' night.

HIBERNIANS.

The two teams of Division No. 1 and Division No. 2 in the forty-five tournament met last Tuesday evening in Hibernian hall for play, this being the next to the last night of the tournament, which will end May 26th. The team of Division No. 2 was the winner 53 to 52, but Division No. 1 still leads on total score. The Second Division has a smoker and social evening next Tuesday in the hall.

ELKS.

Norwich lodge, No. 430, held its regular meeting Thursday evening in Pythian hall, with a good attendance, and Exalted Ruler William R. Stevens presiding. Two candidates were initiated. There was one visitor from our town—John Palmer of Portland, Oregon.

An invitation was received and accepted to take part in the coming 50th celebration, Jacob Stein, T. B. Connor, Thomas Craney, C. A. Marx and Joseph F. Williams were appointed to the committee to take charge of the matter.

Hope lodge, No. 21, had a meeting of more than usual interest Wednesday evening in Odd Fellows' hall, in the Olympic building, with Noble Grand Grace Willey presiding at the business meeting, which was followed by the initiatory degree conferred upon one candidate. This was put on in full form under the direction of Margaret Hart, very fine work being done by the team, which was spurred to its best efforts by the presence of special deputy grand master, Libby J. Denison of Groton. There were also three visitors from Hope lodge of Westerly, Mrs. Gavitt, the noble grand, Mrs. Ingram, a past noble grand, and Mrs. W. Gavitt.

The crowning feature of the evening was the presentation of a beautiful brooch to the special deputy grand master, Mrs. Denison, who was completing her second year in this office for this lodge. On behalf of the lodge the presentation was made by P. N. G. Mary M. Green in very acceptable form, and Mrs. Denison responded fittingly. Mrs. Denison's term expires with this session of the grand lodge in Hartford next week. She has been an active worker for the interests of the lodge and has had good support from the membership.

The evening concluded with a salad and cold meat supper.

The New London Past Noble Grand's association meets on the 12th with Home lodge of Groton.

HEPTASOPHS.

On Monday night there will be a joint meeting of Norwich, Groton, New London and New Haven conclaves, with Norwich conclave in A. O. H. hall. Some of the supreme officers will be on hand and a goodly number of Groton and New Haven members, among them D. D. S. A. Homestead and his Deputy Willard. The equalization plan will be thoroughly explained by those who understand it best and it will bring out a deal of information and some good speaking. It is hoped that all members will take advantage of this opportunity and be on hand at the meeting.

RED MEN.

Tecumseh tribe, No. 43, shifted its camping ground Wednesday night, moving from Foresters' hall to Hibernian hall, where the meetings will be held twice a month as before in the old hall. The tribal charter was hung in the new hall and everything settled comfortably for work there. Plans for a social were discussed and 14th selected as the date to give a dance, to start the social season in their new quarters.

WOMAN'S RELIEF CORPS.

There was a well attended meeting of Sedgwick corps, No. 4, Friday afternoon, at the Buckingham Memorial, when the principal object of discussion was attendance at the department in Middletown next Thursday. It is so near that probably quite a number will go in addition to the regular elected delegates, who are Mrs. Annie E. Woodman, Mrs. Dorothea W. Bacon and Mrs. Elizabeth Banfield, with the following alternates, Mrs. Marie Disque, Mrs. Esther Blinn, and Miss Florence Robbins. The party will probably leave Thursday morning by the 7 o'clock train.

AMERICAN MECHANICS.

Maintenance council, No. 296, held two meetings in Pythian hall this week, the regular session on Wednesday evening, which had a good attendance. At the meeting Wednesday night one application was received, and there were also applications signed after the Friday night meeting. At the smoker Frank Q. Smith was chairman, and the speakers included Deputy State Councilor Ray Lewis of New London, State Organizer Thomas F. Gilmore of New Haven, Brother Gatos of the state council, from Montville, and Brother M. Price of Middletown council, and Brothers Robert Blechard and Frank H. Richards of American council of Norwich. The whole thing was quite a party attending.

Maintenance council has arranged to hold a ladies' night on Friday, the 21st,

and has invited the members of American council and Ledyard council to attend with their lady friends.

ROYAL ARCANUM.

The treasurer of Norwich council, No. 720, this week paid to the beneficiary of the late Rufus H. Marshall the amount of the benefit certificate held by him in the order. He held a \$3,000 certificate.

Angels on Horseback.

There are many ways of cooking oysters. "Angels on Horseback" are well known, but I should hope not very well liked. It is a barbarous conjunction, that of bacon with oysters; a tremendous compliment to the bacon, it is true, but an insult to the fish. Nor can I praise the steak and oysters so dear to many. But as an ingredient in a breakfast pie nothing but praise can be spoken of the bivalve. There are oysters in that most delicious of pies, the one that cooks for 24 hours and keeps a man up all night to see that it does not leave off boiling. Need I say that I refer to the world famous pudding at the Cheshire Cheese.—The Gentlewoman.

THAT'S WHERE THIS STORE COMES IN

We dress men well—we spare no pains to do it. Clothes quality, these days, counts for as much as price in the way of inducement, when asking for patronage.

"STORE OF GOOD CLOTHES."

To Former Patrons of The N. Johnson Co.

A FEW REASONS WHY YOU SHOULD TRADE WITH US: We have the same store and same workmen as before. We pay our men more wages than they received before, thereby getting the best work that they can do. We are not selling cheaper suits but are putting into them better linings and trimmings and giving you a much better suit than we ever made before at the same price. When buying of us you take no chances of getting a suit that don't fit. We will make clothes to fit you, and if not satisfactory we do not expect you to take them. Think this over. Every well dressed man should have his clothes pressed at least once a week. We press all clothes made by us free of charge, saving you the price of one good suit per year.
